USB-C do USB-C Cable, Essager, EXCTT3-CGA0G-P, 240W, 2m (black)

USB-C to USB-C cable, Essager, EXCTT3-CGA0G-P, 240W, 2m (black).
Looking for a reliable USB-C cable that meets all your needs? The Essager USB-C to USB-C 240W is a solution you can always rely on. This cable combines not only strength and durability, but also impressive performance. In addition to fast charging, it also allows you to transfer files at 480 Mbps - you'll send 1 G of data in about 30 seconds.
Outstanding durability
The Essager cable has passed rigorous bending tests more than 25,000 times, which means you can use it every day without worry. What's more, the copper core enhances the product's performance. Whether you're on the go or at home, this cable is ready to stand up to daily use. Reliability is its middle name.

Performance
Thanks to its built-in e-marker, the Essager USB-C to USB-C cable can intelligently adjust the current to your device. This means it not only provides stable and fast charging, but also protects it from overloading....

240W fast charging
One of the main advantages of this cable is its ability to support fast charging of as much as 240W. This allows you to charge your
