USB-A 3in1 cable, Essager, EXCCXT-WX0G, USB-C/Lightning/Micro, 15W, 1m (grey)

USB-A 3-in-1 Cable, Essager, EXCCXT-WX0G, USB-C/Lightning/Micro, 15W, 1m (gray)

The Essager USB-A 3-in-1 cable allows charging and data transfer at the same time. Thanks to the presence of several connectors (USB-A to USB-C/Lightning/Micro), the accessory is compatible with most devices available on the market. A power of 15 watts and a current of 3 amps ensure high performance in any situation.

Fast charging and stable data transfer

Support for 3 A current allows fast charging of mobile devices. Built-in 56kΩ resistors ensure voltage stability and protect connected devices from damage caused by excessive current flow. With data transfer speeds of 480Mbps, you can transfer files, photos and videos between devices in no time.

Innovative design

The unique design of the tip, which can be rotated 180°, allows you to easily adapt the cable to any situation. Whether you're using your phone while playing games, watching movies or working, the accessory won't get in the way and will stably stay in place.

Solid workmanship and durability

High-quality materials, including galvanized copper and zinc alloy, were used to make the Essager cable. The design of the product

ensures long-term durability and resistance to mechanical damage.
