Lention Adapter/HUB 1m gray

Ref: 6955038348102

Adapter/hub 8in1 Lention 1m (gray)

The 8in1 Lention hub is the perfect solution for those who need a reliable device to expand the capabilities of their computer. With its high quality workmanship, fast data transfer, versatile ports and compact size, this hub is sure to meet the expectations of even the most demanding users.

Exceptional image quality

The HDMI port supports 4K@60Hz resolution, which guarantees crystal clear images and excellent color reproduction. This is especially important for those working with graphics, video or multimedia presentations. Whether you're working, watching a movie or playing games, the image quality is sure to delight you.

High charging power and fast data transfer

The USB-C PD port allows you to charge your devices with up to 60 watts of power, which is ideal for fast and efficient charging of laptops, tablets and other devices. The USB 3.0 and USB-C ports offer data transfer speeds of up to 5 Gbps, allowing you to transfer large files such as videos, photos and documents instantly.

Even more capabilities

The Lention Hub is designed for maximum versatility. SD and microSD card slots enable read speeds of up to 104 MB/s, which is ideal for photographers, graphic designers and other professionals working with large image files. What's more, the 3.5mm audio port allows for convenient connection of headphones or speakers.
