Wall charger Essager ECTQC3-FBB01 3xUSB 30W (black)

Essager ECTQC3-FBB01 3xUSB 30W network charger (black).

Meet the Essager ECTQC3-FBB01 network charger, which combines performance, fast charging speed and compact design. With 30 watts of power and three USB-A ports, it's ideal for charging a variety of devices simultaneously. Whether you need to quickly charge your smartphone, tablet or any other device with a USB port, the Essager ECTQC3-FBB01 will provide reliable and efficient power.

Efficient charging

The Essager ECTQC3-FBB01 is equipped with three USB-A ports, one of which supports the QC3.0 standard, providing fast charging at 5V/3.1A, 9V/2.1A and 12V/1.5A. The USB2 and USB3 ports offer charging at 5V/2.4A, allowing you to power two additional devices simultaneously. This means you can charge your Huawei P9 in 2 hours and your Xiaomi 5 in just 1.5 hours.

Wide compatibility

The Essager ECTQC3-FBB01 charger is compatible with a wide range of devices such as smartphones, tablets and other accessories with a USB port. With a universal AC 100-240V, 50-60 Hz, 500 mA input voltage, you can use it worldwide, making it ideal for frequent travelers.

Safety and security

The charger is made of durable ABS and PC V0 materials that provide resistance to high temperatures and long life. Advanced safety features protect against short-circuit, overcurrent, overheating and overcharging, ensuring safe use both at home and on the road.

Compact design

The Essager ECTQC3-FBB01 features compact dimensions (56 x 37 x 37 mm), making it easy to carry and store. As a result, it will easily fit into any bag or backpack for convenient use anywhere.
