Flange Insert 19 mm for S9 Pro/S12 Pro Momcozy

Ref: 5906168435294

Flange Insert 19 mm for S9 Pro/S12 Pro Momcozy

Ensure comfortable and efficient milk intake. This unique product allows you to adjust the diameter of the ring to your individual needs. The flange insert has been carefully designed and manufactured by Momcozy from BPA-free materials, which guarantees not only excellent compatibility, but also high quality and safety. To maintain optimal performance and hygiene, it is recommended to replace the flange insert regularly, especially if you notice a decrease in the pump's suction power. With this product you can enjoy comfortable and safe feeding of your baby.
