MOFII Baby Bear Wireless Keyboard + Mouse Set (pink)

The MOFII Baby Bear wireless set is the perfect solution for those who value freedom and comfort, both at home and in the office. The set includes a mouse that offers precise tracking and an ergonomic keyboard. The whole set works wirelessly, which gives you full freedom of movement, without the restrictions of cables.

Precise mouse

The mouse in the MOFII Baby Bear kit offers a resolution of 1200, which guarantees smooth and accurate movements. Equipped with three buttons, with a lifespan of up to 3 million clicks, it will be ideal for both everyday work and more demanding tasks. In addition, the mouse has a two-level power saving mode, which significantly extends battery life.

Highly durable keyboard

The MOFII Baby Bear keyboard combines modern design with ergonomics. With 85 buttons that can withstand up to 8 million clicks, you can be sure that it will serve you for a long time. Ergonomic dimensions and comfortable key layout make typing a pleasure. Powered by two AAA batteries, the keyboard is not only efficient but also elegant, fitting into any office or home computer corner.

Advanced connectivity technology

With 2.4GHz FSK Autolink technology, the MOFii Baby Bear kit provides a stable wireless connection, without interference, even at distances of 6 to 10 meters. The 34 bi-directional RF channels guarantee smooth and reliable operation, and the nano receiver makes it easy to connect the kit to a computer without installing additional software.
