Power Bank Mcdodo MC-4631 Dual USB,10000mAh, 10.5W (black)

Mcdodo MC-4631 x2 USB powerbank 10,000 mAh 10.5W (black).

Charge your devices quickly and conveniently. The Mcdodo powerbank offers a capacity of 10,000 mAh and 2 USB-A ports, so you can use it to charge 2 devices at the same time. What's more, the lightweight and portable design makes it easy to use, and LED indicators will provide you with information about the device's operating status.

Durable battery - efficient charging

With a capacity of 10,000 mAh, you can charge your Xiaomi 9 or iPhone 13 Mini about 2 times, and your Huawei P30 about 1.5 times. What's more, the available USB-A ports allow you to connect 2 devices simultaneously, saving you time. Use it to renew the power of your smartphone, tablet, headphones, smartwatch, smartband and mini fan.

Use it safely

Equipped with a high-quality polymer-ion battery, the powerbank ensures safe use and efficient and long-lasting operation. Moreover, it offers protection against overcharging, over-discharge, overheating, short circuit, overcurrent, etc. It has also passed various safety and quality tests. You can also take it on board a plane.

Lightweight design

Transporting and carrying Mcdodo MC-4631 will not cause you any problem. The thickness of the powerbank does not exceed 1.6 cm and its weight - 228 g. As a result, it fits perfectly in your hand and does not take up much space in your purse or backpack. In addition, LED light indicators will inform you about the level of charge of the powerbank.
