

Wireless headphone with microphone New Bee NB-12 (black)

Ref: 5906168439674

Wireless headphone with microphone New Bee NB-12 (black)

Wireless handset with microphone New Bee NB-12 (black).

Conveniently make calls on the phone. The New Bee NB-12 wireless handset is a great solution for those who value convenience and reliability. It offers a long operating time and fast Bluetooth connection, so you can enjoy a stable connection and high sound quality while talking or listening to music. The handset is compatible with iOS and Android devices, and allows you to connect to two devices simultaneously for even more freedom of use. You can also use the voice assistant.

Long runtime and fast charging

The handset offers up to 12 h of talk time on a single charge, and takes just 2 h to fully charge. It stays in standby mode for up to 30 days, so you don't have to worry about frequent charging. Automatic shutdown after 10 min of non-use further protects the battery from draining too quickly.

Stable connection thanks to Bluetooth 5.0

The handset connects to a compatible device via Bluetooth 5.0, which translates into a stable connection of up to 10 meters. Fast pairing and the ability to connect to 2 devices at the same time means you can conveniently use your phone and laptop, for example, switching seamlessly between them.

Ergonomic design

The handset was designed with comfort in mind. The lightweight design and swivel ear hooks allow for a perfect fit for any person. It comes with 4 sizes of ear pads, which guarantee comfortable wearing for a long time without feeling uncomfortable.
