Membrane Gaming Keyboard Havit GAMENOTE KB488L RGB

Havit KB488L gaming keyboard

Havit's RGB backlit gaming keyboard, is a great choice for any gamer and its design will work well on any gaming desk

Quick control

The special fn key gives you the possibility to easily and quickly switch tracks, pause them or change the volume. This allows you to concentrate even better on your game.

Anti-Ghosting

Thanks to Anti-Ghosting technology, you don't have to worry about the typical keyboard limitations of 3-4 keys pressed at once. The Havit KB488L offers anti-ghosting, up to 19 keys at a time, giving you incredible freedom and control during gameplay.

Special design

In addition to a great and truly gaming look, the construction of the Havit KB488L has been specially designed to make using it even for long periods of time very comfortable.
