Ref: 4031541762061

B&W Type 1000 case for Insta360 X4 (yellow)

Conveniently store your Insta360 X4 camera and accessories. The B&W Type 1000 case is made of durable polypropylene and meets rigorous military and aviation standards, including MIL-STD-810, STANAG 4280, DEF STAN 81-41 and ATA 300. The product provides protection from dust, water (IP67 certified) and shock. Your equipment will also be safe in extreme temperatures ranging from -30°C to 80°C and in hail.

Specially tailored interior

With a capacity of 4.1 liters, you can comfortably transport your equipment. With a specially designed interior and foam insert, the case offers dedicated spaces for the Insta360 X4 camera, fast charging hub, four microSD cards and Invisible selfie stick. Each item is reliably protected, so you don't have to worry about damage during transport.

Comfort while traveling

The automatic pressure compensation valve allows hassle-free air travel. Rubberized handle and sturdy locks with additional padlock eyes (Ø 4.5 mm) ensure comfort and safety during transport. A special place for a name label allows easy identification of ownership.
