

Mcdodo CH-4992 USB-C Charger for Apple Watch

Mcdodo CH-4992 USB-C Charger for Apple Watch

Ref: 6921002649926

Mcdodo CH-4992 USB-C Charger for Apple Watch

The Mcdodo CH-4992 is an innovative USB-C charger for Apple Watches that combines modern design with functionality. With a compact size and a weight of just 17g, it is extremely convenient to carry and ideal for everyday use, whether at home or on the go. Made of high-quality zinc alloy and ABS - it provides durability and elegant appearance. The product is compatible with all models of Apple Watchy.

Efficient charging and versatility

The Mcdodo CH-4992 charger offers an output power of 3.5 watts, allowing you to charge your Apple Watch quickly and safely. It only takes about 2 hours for your watch to be fully operational! What's more, thanks to the USB-C connector, the product is compatible with a wide range of devices, such as laptops, powerbanks and power adapters. Whether you're in the office, on the road or at home, it will provide you with convenient and efficient charging of your smartwatch.

Stylish design and convenient use

The Mcdodo CH-4992 features a modern, minimalist design that perfectly matches the aesthetics of Apple products. Thanks to the elegant combination of materials - durable zinc alloy and high-quality ABS - the charger is not only stylish, but also resistant to everyday wear and tear. In addition, thanks to the included strap, you can easily clip it to your bag or backpack to avoid losing it.

Security at the highest level

The safety of your device is our top priority. The Mcdodo CH-4992 charger is equipped with advanced protection systems that guard against overheating, overcharging, overvoltage and short circuit. In addition, a strong magnet ensures that your smartwatch will remain stably in place throughout the charging process.

Ease of use and mobility

One of the key advantages of the Mcdodo CH-4992 charger is its ease of use. Thanks to its direct USB-C connection, simply plug it into any device with this port to start charging immediately. This convenient solution eliminates the need to carry extra cables or adapters!

Compact size

The Mcdodo CH-4992 charger is as small as an iPhone camera lens and weighs just 17 grams, making it extremely easy to carry. Its compact dimensions (47 x 28 x 6.9 mm) make it easily fit into any pocket, purse or backpack, and its minimalist design adds to its elegance and style.
