Charger + memory card case PULUZ for Insta360 Ace Pro / Ace

PULUZ charger + memory card case for Insta360 Ace Pro / Ace

PULUZ charger for Insta360 Ace Pro and Ace cameras is not only a charging tool, but also a functional case for memory cards. Perfectly matched to the batteries of these cameras, it provides convenience and safety during storage and charging.

Dual charging for maximum efficiency

The device has two charging slots so that two batteries can be charged simultaneously. Each slot has an independent power supply, allowing precise management of the charging process. Such technology prevents overcharging of the batteries, increasing battery life and ensuring safe use.

Full charging control

Thanks to easy-to-read LED indicators, you always know what stage of charging your batteries are in. A red LED indicates charging, and a green LED indicates full charge, allowing you to be more organized.

Memory card protection

PULUZ is not only a charger, but also a safe place to store memory cards. It protects them from mechanical damage and loss, so all the data recorded during your adventures is always safe and ready for use.
