Ref: 6921002647809

Mcdodo CA-4780 USB-C to USB-C 60W data cable 1.2m (black)

Mcdodo CA-4780 USB-C to USB-C 60W Data Cable 1.2m (black).
The Mcdodo CA-5780 cable is a reliable solution for charging and transferring data between devices equipped with USB-C ports. Offering up to 60W of power, the cable is perfect for charging laptops, tablets and smartphones. In addition, equipped with an LED display, it allows you to monitor the charging process in real time, offering convenience and safety of use.

High charging power of 60W
The cable supports high-speed charging of up to 60W, allowing you to efficiently charge a variety of devices, from smartphones to laptops. The built-in LED display shows the current power level, making it easy to control the charging process. This allows you to charge your devices quickly and safely, saving you time.

Durable and safe design
The cable is designed with durability in mind. The reinforced copper wire and sturdy sheath ensure stable and fast charging, as well as resistance to mechanical damage. This makes the Mcdodo CA-5780 cable not only practical, but also long-lasting, making it ideal for everyday use.

Multifunctionality and wide compatibility
