

Carlinkit Tbox Basic (2+16G) wireless adapter Carplay/Android

Ref: 6972185560348

Carlinkit Tbox Basic (2+16G) wireless adapter Carplay/Android (black)

Carlinkit Tbox Basic (2+16G) Carplay/Android Wireless Adapter (black).

The Carlinkit Tbox Basic Wireless Adapter (2+16G) is a compact and powerful device that allows you to easily use CarPlay and Android Auto features in your car. Equipped with Android 11.0 and Qualcomm QCM2290 ARM Cortex-A53 Quad-core processor - it ensures smooth and stable operation of essential applications.

Performance and memory

The adapter offers 2 GB of RAM and 16 GB of internal memory, allowing you to store and run various applications without lag. The Adreno 702 GPU provides high-quality graphics, ideal for displaying multimedia content, and thanks to adaptive resolution, the image is always optimally adjusted to the car's screen.

Easy installation and connectivity

Installation of the device is extremely easy - just plug the adapter into the car's USB port. The product also supports 2.4G + 5G Wi-Fi and Bluetooth 4.2 BLE + 5.0 BLE, which ensures a fast and stable wireless connection. So you can easily pair it with your mobile device of choice!

Compatibility and Additional Features

Mobilemax - Gadgets and Accessories

Rua Vasco da Gama n61, 8005-411, Estoi - Faro, Portugal

The Carlinkit Tbox Basic is compatible with a wide range of smartphones - from iPhones 6 and above (systems from iOS 10.0) to phones running Android 11.0 and up. In addition, built-in apps such as Play Store, YouTube, Netflix, Disney+ and TikTok allow you to conveniently enjoy your favorite media content right from your car screen.

Ports and extensions

The adapter is equipped with a USB-C port and a TF card slot that allows you to expand your storage up to 256GB. This allows you to store more data and enjoy greater flexibility. What's more, the device is made of durable ABS material for long-lasting durability.
