

## Deerma HEPA vacuum cleaner filter DEM-T20W/T30W

Deerma HEPA vacuum cleaner filter DEM-T20W/T30W

Ref: 6955578044649

Deerma HEPA vacuum cleaner filter DEM-T20W/T30W.

The Deerma DEM-T20W/T30W HEPA filter is a high-quality filter that ensures effective retention of fine dust particles, allergens and other pollutants during vacuuming. With its advanced filtration technology, it improves the air quality in the home, reducing the risk of secondary contamination. Designed specifically for Deerma DEM-T20W and T30W vacuum cleaner models, the filter is easy to install, making it a must-have for those concerned about the health and cleanliness of their surroundings.
