

Neck Massager Yunmai Neckmassager YMB241 (Grey)

Neck Massager Yunmai Neckmassager YMB241 (Grey)

Ref: 6973322670388

Yunmai Neck Massager YMB241 (Gray).

Relax after a long, hard day with the Yunmai YMB241. The device mimics a hand massage and offers 6 heads that massage the neck, shoulders, etc. In addition, it uses a warm compress (47°C) and works wirelessly. It also has a special strap with which you attach the massager to your body. There are also 2 modes and 2 levels of massage intensity at your disposal, and the included USB-A to USB-C cable makes charging easy.

Pleasant, relaxing massage

The Yunmai Neck Massager uses 6D massage heads that mimic the hand movements of a professional massage therapist. It provides a pleasant neck and shoulder massage, allowing you to relax. In addition, the YMB241 offers a 47°C warm compress and effectively relieves tense muscles. The device will automatically turn off after about 10 minutes to prevent overheating.

Comfort of use

You can wear the massager around your neck, attaching it with a special strap on your back. This will allow you to comfortably perform other activities, such as reading a book, preparing dinner, or watching a movie. You can also hold the massager in your hands using the dedicated straps on the front.

It works the way you want it to

Customize the massager's action to suit your needs. The Yunmai YMB241 offers 2 modes of operation and 2 levels of massage intensity, so you can adjust the settings according to the degree of muscle tension. The device will effectively relieve muscle pain and improve blood circulation. The massager will work well on such body parts as the neck, shoulders, back, thighs and arms.

Cordless operation

Use the massager at home, at work, on the road or during a game. The Yunmai YMB241 is equipped with a 2000 mAh lithium battery, which translates to about 70 minutes of operation on a single charge. This means you can use it no matter where you are. Charging, on the other hand, will be facilitated by the included USB-A to USB-C cable.

Skin-friendly material

The Yunmai YMB241 massager was made of soft PU material and breathable mesh, so it is gentle on the skin and does not cause irritation. In addition, the special cover of the massager can be easily removed and cleaned. This way you will keep the massager clean and prolong its life.
