

Pilot zdalnego sterowania Yeelight

Pilot zdalnego sterowania Yeelight

Ref: 6924922217879

Practicality and convenience in one

With the Yeelight remote control, you can easily and quickly control your lighting. It allows you to adjust the brightness level or light color for any situation without having to launch an app. Reliable and durable. The Yeelight brand is part of the Xiaomi ecosystem.

Designed for your needs

In addition to allowing you to turn the light on and off remotely, it also allows you to control the color and brightness. Enjoy the warm glow while relaxing, and take advantage of the cool world while reading a book or working in front of a monitor.

Simple design

Designed with simplicity and stylish design in mind. Created from high-quality materials, the Yeelight remote control is the essence of style and elegance in one. With frequent use in mind, it was made with attention to the smallest details. With its simple form, it will fit into the interior of any home.

Durable

The battery in the Yeelight remote control, allows you to use it for a year, considering that you will use it up to 40 times a day! Thanks to the durable and retractable cover, changing the battery is easy and hassle-free.
