The BlitzWolf BW-HDC6 is a versatile 4-in-1 cable that allows you to charge a wide range of devices thanks to its various connectors (USB-A / USB-C to USB-C / Lightning). Whether you use a laptop, a powerbank or a traditional charger, now you can enjoy full flexibility and compatibility. It also includes a practical Velcro fastener for easy storage and transportation of the product.

### Dual connectors for full flexibility

The BlitzWolf BW-HDC6 features an innovative dual connector system that allows you to easily choose from different interfaces: USB-A or USB-C and USB-C or Lightning. With this design, you can charge almost any device, regardless of the type of charger or port. Now you only need one cable to meet all your charging needs - no need to always have several cables on hand!

### Impressive performance

The BlitzWolf BW-HDC6 cable supports fast charging with up to 240 watts of power (for USB-C to USB-C connection), making it an ideal choice for powering even the most demanding devices, such as laptops and tablets. Such high performance guarantees that your gear will be ready to use in no time!

### Instant data transfer

The BW-HDC6 also offers high-speed data transfer at up to 480 Mbps. This allows you to efficiently transfer photos, videos or documents between devices, saving time and increasing your work efficiency.

#### Reinforced design and durability

The BlitzWolf BW-HDC6 cable is made of durable materials such as zinc alloy and silicone, ensuring its longevity and resistance to everyday wear and tear. In addition, the reinforced cable guarantees stable charging and minimizes the risk of damage, so you can use it for a long time.
