

## Orico 240W USB-C to USB-C charging cable, 1 m (black)

Ref: 6941788830158

Orico 240W USB-C to USB-C charging cable, 1 m (black)

Orico 240W USB-C to USB-C charging cable, 1m (black)

The Orico 240W USB-C charging cable is the perfect solution for those who need speed, safety and reliability all in one. With 240W of power, it provides instant charging for your devices to save time and increase productivity.

### Extreme power

This cable supports 240W charging, allowing you to quickly power even the most demanding devices, from laptops to elec vehicles. With PD 3.1 protocol, the cable is compatible with the latest charging standards, offering not only power, but also safety.

### Unmatched transmission speed

The Orico 240W provides data transfer speeds of up to 40Gbps. This means that transferring large files, such as 4K or 8K videos, is done in the blink of an eye, which is ideal for professionals working with large media files.

### Exceptional image quality

With support for 8K video output at 60Hz and 4K video output at 60Hz for two screens, this cable delivers superior image quality, making it the ideal choice for home theater enthusiasts and gamers.

#### Safety first

The cable is made of TVS material, which provides surge protection and voltage stability to ensure the safety of your devices. In addition, the smart E-Marker chip adjusts the current, protecting the battery from damage.

#### Durability and convenience

The Orico 240W is designed with longevity in mind. The nylon braid provides high resistance to damage, and durability tests (5,000 times bending and 3,000 times plugging) confirm its reliability. The cable is also easy to organize thanks to its flexible design. The cable is compatible with a wide range of devices, including Apple, Huawei, Dell, Xiaomi, Lenovo laptops and monitors and accessories from leading manufacturers. It is ideal for those who use a wide variety of devices.
