Ufree U-2226 electric hair clipper and trimmer.

Meet the Ufree men's grooming kit, which combines the power of professional tools with the convenience of everyday use. The cordless set includes a clippers, a 3-in-1 T-blade trimmer, and additional heads for trimming the nose and beard. You'll find up to 8 clipper attachments, 4 trimmer attachments (1, 3, 5, 7 mm), an adjustable beard attachment, as well as all the necessary accessories, such as a cleaning brush, comb, maintenance oil bottle and a Type-C charging cable.

Precision blade for a perfect finish

The Ufree razor is equipped with an ultra-fast stainless steel blade that provides a smooth and precise cut, without any jams or intermittent cuts. The T-blade is perfect for zero trimming and contouring. Adjustable attachments make it easy to create a variety of hairstyles, from fade cuts to details that require more precision.

Travel comfort and multifunctionality

Thanks to its various functionalities, this trimmer can be used not only for trimming hair on the head, but also for nose, beard and sideburns. Ufree has also taken care of travel safety by adding a travel lock that protects the device from accidental activation.

Smart LCD display and long run time

Both the razor and trimmer are equipped with an LCD display that reminds you when it's time to charge or lubricate the blades. The built-in rechargeable lithium-ion battery provides up to 180 minutes of cordless use after just 1.5 hours of charging - ideal for space-saving use.

Powerful motor and quiet operation

With a speed of 6,300 RPM, the Ufree razor guarantees efficiency and low noise emissions during clipping. It's an indispensable tool in any professional hair salon, and an excellent choice for those looking for a multifunctional and reliable detail trimmer.

Elegant design

The body of the razor is decorated with delicate engraved patterns, making it not only practical, but also an aesthetic addition. The powerful motor and sharp blades ensure a smooth cut, and the stylish design makes it a great gift for Christmas or birthdays - for dad, husband, grandpa or friends.

A set that will satisfy all your problems

In addition to the function of a beard trimmer, this kit can also serve as an electric shaver for a perfectly smooth shave. It's a versatile tool that will make your skin smooth and well-groomed. (Note: do not immerse the device in water).
