

X-Sense XS01-WX smoke detector

Ref: 5906168434938

X-Sense XS01-WX smoke detector

X-Sense XS01-WX smoke detector

The X-Sense XS01-WX will provide you with peace of mind and security in your home for many years to come. Thanks to its state-of-the-art photoelectric sensor, the device reacts quickly to emerging smoke, minimizing the risk of false alarms. Thanks to a smartphone app, you can monitor the status of the device and the situation in your home, even while you are away.

Loud 85 dB alarm

The X-Sense XS01-WX emits an 85 dB alarm, allowing you to be alerted to a threat quickly and effectively, even if you are in another room. The alarm's 3.2 kHz sound increases your chances of acting quickly and protecting your home from fire.

Long-life photoelectric sensor

The photoelectric sensor used in the sensor is one of the most effective on the market, detecting even small amounts of smoke. This makes the device ideal for detecting fire hazards at an early stage. What's more, the sensor has an impressive 10-year lifespan, providing long-lasting protection without the need for frequent replacement.

Compact size, powerful performance

The sensor's compact size makes it easy to install anywhere without spoiling interior aesthetics. Despite its compact form factor, the

sensor provides effective protection over an area of up to 40 m², making it ideal for small to medium-sized rooms.

Remote monitoring via the app

With the X-Sense Home Security app, available for Android and iOS, you have full control over your smoke detector from anywhere. You can check battery status, event history and receive instant push notifications if the sensor detects a threat. Remote monitoring also allows you to share control of the device with other family members, adding to your sense of security.

Free push notifications

At no extra cost, you'll receive instant notifications to your smartphone when smoke, low battery or other important events are detected. This way you always know what's going on in your home, even when you're away. This is a great solution for families who care about the safety of their loved ones.

Included

Alarm unit × 1 Mounting bracket × 1 Screws × 2 Expansion bolts × 2 Instruction manual × 1

Manufacturer X-Sense Model XS01-WX Power supply Replaceable 3 V CR123A lithium battery Lifespan: 10 years Battery life 1 year Sensor type Photoelectric Coverage area 20-40 m² Operating temperature 4-38°C Relative humidity during operation ≤ 85% (non-condensing) Alarm volume ≥ 85 dB at 3 m @ 3.2 ± 0.3 kHz pulsed alarm Silence duration Approximately 9 minutes Application X-Sense Home Security (Android and iOS supported) Wireless frequency 2.4 GHz (not compatible with 5 GHz Wi-Fi network) Wireless protocol IEEE 802.11b/g/n Transmission power 17 dBm
