Decorative cover / cap for T5 SONOFF Star 2C touch switch

Decorative cover / cap for SONOFF Star 2C T5 touch switch.

SONOFF Star 2C is a stylish cover designed specifically for the SONOFF T5 2C touch wall switch. With its help you can personalize the device and adjust its appearance to your preferences! The mounted cap does not affect the comfort of operation and allows you to comfortably use all the functions of the switch.

Easy installation

Replacement of the SONOFF T5 switch cover is extremely simple. All you need to do is to gently unfasten the original panel and replace it with a new overlay. It will only take you a moment! Thanks to this, you can easily adjust the appearance of the switch to your liking and to the current interior design.

Perfect fit

The SONOFF Star 2C cover fits perfectly to the T5 switch. Thanks to the precise fit, the device retains its full functionality - the cap does not interfere with its operation and does not affect its performance.

Durability and aesthetics

The overlay is made of durable plastic, making it very durable and resistant to damage. Its additional advantage is high-quality printing,

which is resistant to abrasion and maintains an aesthetic appearance for a long time.
