ESR Boost Kickstand Case for Samsung Galaxy S24 (transparent)

ESR Boost Kickstand Case for Samsung Galaxy S24 (transparent).

Keep your phone safe with the ESR Boost case. With a military rating, the product provides protection against drops, bumps and scratches. At the same time, it stands out for its elegant, minimalist design. The adjustable stand allows you to freely adjust the angle for comfortable use, and compatibility with Magsafe technology allows for fast wireless charging.

### Military-grade protection

The ESR Boost case guarantees military-grade protection for your smartphone. Reinforcing the edges with cushioning helped ensure resistance to drops, bumps and scratches. Meanwhile, the raised edges around the camera (1mm) and screen (1.2mm) provide an extra layer of protection, so you can rest assured that your phone is completely safe.

### Adjustable stand

The innovative stand allows you to comfortably view content on your phone and allows you to adjust the tilt angle from 30 to 60°. It's ideal for those who value comfort and freedom.

### Magsafe compatibility

The accessory is fully compatible with Magsafe technology, so you can seamlessly use Magsafe accessories, as well as wirelessly charge

your smartphone.

#### Minimalist design

The case's simple design blends perfectly with your phone's modern style, maintaining its elegance and minimalism. But looks aren't everything, so the specially designed structure of the case provides a secure, comfortable grip, giving you the confidence that your phone won't slip out of your hand.
