Zero Clear Case (HaloLock) ESR case for iPhone 16 Pro (pink)

ESR's Zero Clear Case (HaloLock) for iPhone 16 Pro (pink)

With a thickness of 1.22 mm, ESR's Zero Clear Case (HaloLock) fits the iPhone 16 Pro perfectly, maintaining its slim profile and minimal weight. This accessory effectively protects the device. It is also compatible with MagSafe technology - so you can conveniently use magnetic chargers and accessories.

Stability for MagSafe accessories

The built-in magnetic ring with a pulling force of 1,200g holds your phone stably against MagSafe chargers and accessories, ensuring a secure fit and comfortable use.

Air Guard corners

Reinforced corners absorb shock from drops. The case meets MIL-STD-810H 516.8 standards, ensuring effective protection for your phone against mechanical damage.

Screen and camera protection

The edges of the case have been raised by 1 mm at the screen and 0.7 mm around the camera, effectively protecting the delicate components from scratches when putting the phone down on hard surfaces.
