Filter MIST PolarPro LiteChaser Pro for iPhone 13 / iPhone 14

MIST PolarPro LiteChaser Pro Filter for iPhone 13 / iPhone 14 (Pro / Pro Max)

Give your footage a creative, cinematic feel. PolarPro's 1/4 diffusion filter compensates for overexposure and allows you to enhance the look of people in your footage without sacrificing image sharpness. The accessory fits 0.5x, 1x and 3x iPhone 13 / iPhone 14 cameras. It is compatible with FILMiC Pro and Moment Pro Camera apps, and has been designed to fit future smartphone models as well. Transport and store it easily with the included protective case and Defender Mini cover. Note: to use the filter, the LiteChaser Pro case for iPhone 13 / iPhone 14 is required.
