Sonic toothbrushes with head set FairyWill E11 (Black and pink)

Set of 2 FairyWill E11 sonic toothbrushes with replaceable heads

The set includes 2 FairyWill E11 sonic toothbrushes and 10 replaceable heads. It is an ideal choice for couples. The devices generate vibrations at a frequency of up to 40,000 per minute and effectively clean also those areas that a regular toothbrush cannot reach. With 5 available modes, you can easily adjust their operation to your needs, and the smart timer makes it easy to thoroughly clean your teeth.

Effective cleaning

Say goodbye to ordinary, inefficient toothbrushes. The E11 generates high-frequency sonic vibrations to thoroughly and effectively clean your teeth in a short period of time. It removes up to 100% of stains, food debris and other contaminants. Just use it for about 14 days to enjoy visibly healthier teeth and gums. Taking care of your oral hygiene has never been easier!

5 modes

What makes a toothbrush that can perfectly meet the different needs of users? The device allows you to choose from 5 modes, so you can easily adapt it to your requirements. The Sensitive mode is suitable for users who have sensitive teeth. Clean is perfect for everyday use. Massage provides a gentle gum massage. White will make it easier to whiten your teeth and Polish allows to polish them.

Smart timer

Make sure you brush your teeth for exactly the right length of time. The E11 toothbrush is equipped with an intelligent timer that makes it easy for you to use. Every 30 seconds a short pause will remind you to change the area you're brushing, and after 2 minutes the device will stop working. All this will allow you to brush your teeth thoroughly and help you develop good habits.

Fast charging

Enjoy a long toothbrush runtime. The E11 has a built-in rechargeable battery that lasts up to 30 days on a full charge. It only takes about 2 hours to charge the device. This is thanks to its modern fast-charging technology. In the package you will also find a USB cable, with which you can connect the brush to a power source.

10 heads included

The set includes 10 replaceable toothbrush heads - 5 of each color. Such a large supply will last you and another person for a long time! The W-shaped DuPont nylon bristles grip your teeth and gums perfectly, ensuring thorough cleaning even in hard-to-reach areas. You also don't have to worry about forgetting to replace the tip. When the time is right, the colored bristles will begin to fade to remind you.

Take them on your next trip

You don't have to give up the ability to brush your teeth thoroughly when you go on vacation or travel for a few days. These toothbrushes are lightweight and handy enough to go with you almost anywhere, and they won't take up much space in your bag or suitcase. They are also compatible with 110-240V, so you can easily charge them abroad.

Waterproofness

Use your toothbrush in the bath or shower without worry. The E11 is IPX7 waterproof, which means it's safe from splashes and spills. You can also safely wash it under running water. This will not only prolong its life and keep it in excellent condition, but it will also prevent the multiplication of bacteria.
