### Soundpeats S5 wireless sports earphones

The Soundpeats S5 wireless earphones are designed for active people who like to listen to music during workouts and appreciate high quality sound. The 12mm drivers provide clear, natural sound and Bluetooth 5.2 ensures a fast and stable connection. The durable batteries guarantee up to 5 hours of use on a single charge. The earphones are also incredibly comfortable and boast IPX4 water resistance.

### Stunning stereo sound

Let your favorite songs make your next workout more enjoyable. The S5 earphones have built-in 12mm dynamic drivers that deliver brilliant, clear, detail-rich sound and accentuated, deep bass - the songs you love have never sounded better. It's more fun to practice with Soundpeats!

### Reliable connection

Get wireless and enjoy the freedom of movement. With Bluetooth 5.2, the earphones can provide a fast, stable and seamless connection. Forget about delays, weak signal and stuttering! What's more, once paired, S5 will automatically connect to the device of your choice - don't waste time on complicated setup!

### Lightweight, comfortable, waterproof

Now you can listen to music during your workout, jogging or cycling trip without any disturbance. The S5 earphones are very lightweight and provide unparalleled comfort. They come with an adjustable earband so they stay in place and won't fall out of your ears, even when you're running or exercising. They are also IPX4 waterproof, so they are safe from water drops and sweat.

### Touch operation

No more interrupting your workout and looking for your smartphone to operate your earphones. Soundpeats S5 have built-in touchpads that provide quick and convenient access to several key functions. With just the right number of taps, you can pause or resume playback, answer your phone, switch songs, adjust the volume or activate the voice assistant.

### Many hours of music

Listen to your favorite playlists during your workouts and don't worry about your earphones draining too quickly. The S5 are equipped with long-lasting batteries that allow them to play music for up to 5 hours on a single charge. It also comes with a case that lets you extend that time to about 20 hours. To charge it, connect it to a power source using a USB-C cable.
