

## Wireless mechanical keyboard Dareu EK861 Bluetooth + 2.4G RG

Ref: 6950589912321

Wireless mechanical keyboard Dareu EK861 Bluetooth + 2.4G RGB (white)

### Wireless Mechanical Keyboard Dareu EK861

The Dareu EK861 keyboard features 61 PBT-made keys with switches that last up to 50 million clicks. You can connect it to your computer via Bluetooth 5.0, at 2.4G bandwidth, or via a USB-C cable. The device also has a built-in 1900 mAh lithium battery, a switch to change devices, and special magnetic feet.

### 3 connectivity options

Connect the keyboard the way you want. If you like the freedom of wireless solutions, choose Bluetooth 5.0 (or 3.0) or the 2.4G band. The accessory connects to 3 devices simultaneously and has a button to switch between them. You can also use a USB-C cable.

### Capacious lithium battery

The keyboard has a built-in lithium battery with a capacity of 1900 mAh. With the backlight off, you can use it for about 20 days on a single charge. When the backlight is on, the battery life is up to 4 days. It only takes about 6 hours to charge the EK861. You can also use the keyboard while charging.

### Additional features

With the help of magnetic feet that rotate 90°, you can raise the keyboard by 3.5 mm. The force required to activate the red switches is

just 45g, and the activation point is 2mm. While the Esc button backlight will provide you with key status information. The PBT keys with laser engraving are resistant to abrasion and wear. The keyboard is also extremely compact, so it won't take up much space on your desk.

#### Modern design

The design focuses on the combination of functionality and modern style. RGB backlighting gives it a modern character, and the applied solutions care about comfort during use. Choose from 20 available modes and adjust the visual aspects of the equipment to your expectations. The keyboard also has function keys that will make your work easier.
