

## Wireless Vertical Mouse Dareu LM109 Magic Hand Bluetooth + 2

Ref: 6950589911157

Wireless Vertical Mouse Dareu LM109 Magic Hand Bluetooth + 2.4G (black)

### Dareu LM109 Wireless Vertical Mouse - Magic Hand

The Dareu LM109 Wireless Vertical Mouse features an ergonomic vertical design and is equipped with 6 buttons. Furthermore, it has an adjustable resolution of up to 2400 DPI. Thanks to the 2 connection modes, you can freely switch between Bluetooth and 2.4G.

### Ergonomic design

The vertical design makes the mouse fit in your hand and your wrist flexes naturally. The device is designed to relieve muscle strain and provide unparalleled comfort. The mouse is made of skin-friendly material. Its comfort is also determined by its finish, which is non-slip and sweat resistant.

### Regulate as you wish

The speed of the mouse is adjustable. The available options are 1000, 1200 or 1600 DPI. The device is equipped with a DPI switch with a memory function. All this makes it easy to adjust it to your expectations and enjoy unparalleled comfort while working or playing.

### Thumb up or thumb down

The upper part of the mouse, where your thumb should ultimately be, has been equipped with two buttons for switching forward or backward. This feature will come in handy not only for gaming, but also for such a simple activity as browsing documents or web pages.

Note: the side buttons are not available in Mac systems.

#### 2 connection possibilities

You can connect the device to your computer in one of two ways. You can use the USB adapter, which provides transmission in the 2.4GHz band, or you can choose to use the Bluetooth module. Enjoy the convenience of wireless solutions - the way you like it!
