Multitool black knight + bit set Nextool NE20045

The NE20045 multitool from Nextool contains up to 15 practical tools that you can always have with you. These are both specialist tools that will help you with finishing works and DIY, as well as elements for everyday use - such as a bottle opener or a file.

Functionality first and foremost

The NE20044 model is equipped with 15 practical tools, enabling you to carry out both everyday and more specialized tasks. There are, for example, 2 types of pliers, a cable cutter, a file, wood saw and scissors (all of which are listed in the specifications). What's more, there are also 10 different bits included to give you even more options.

Compact design

The multitool is relatively small (104 x 44 mm), which allows you to take it with you virtually anywhere. This way you can be sure that you will always be prepared to quickly fix a malfunction, open a bottle or untie a problematic knot. Bet on many possibilities in one package - always in your pocket!
