

Helmet Chin Mount Insta360 (ONE X2/ONE X/GO 2/ONE R)

Ref: 6970357853311

Helmet Chin Mount Insta360 (ONE X2/ONE X/GO 2/ONE R)

Chin Mount for Insta360 Helmet

Create breathtaking first-person perspective videos while speeding around on your motorcycle or scooter. The Insta360 branded chin mount fits perfectly on many helmets of different sizes and is compatible with Insta360 cameras like the ONE RS and GO 2, for example. It weighs just 75.3g and is extremely easy to install. The sturdy mount and non-slip components ensure that the camera stays firmly in place - you don't have to worry about it falling off and getting damaged. Enjoy fast driving and record spectacular footage on the move without worrying!
