

Vibration Damper Insta360 (GO 2/ONE X/ONE R/ONE X2)

Vibration Damper Insta360 (GO 2/ONE X/ONE R/ONE X2)

Ref: 6970357853359

Insta360 Vibration Dampener for Insta360 cameras (ONE RS, GO 2, ONE X, ONE R, ONE X2)

Record smooth, dynamic videos, even while riding a motorcycle on a bumpy, rough road. Insta360 accessory is equipped with 6 springs, thanks to which it effectively dampens vibrations and minimizes their impact on the operation of the camera. The product is made of high quality materials and features carefully thought out design, which ensures its exceptional strength, stability and reliability. Say goodbye to unwanted shakes in your recordings and create your best footage! Note: the vibration damper is not waterproof or dustproof. Use it only in a dry, clean environment.
