Ref: 6973734688223

Dreame P10/P10 Pro Filter

EPA filter designed for Dreame P10/P10 Pro. This product prevents secondary pollution by effectively filtering out dust and micro particles, keeping them away from the air. But that's not all! You can use this filter multiple times. Just wash it under running water and then dry it before reusing. Maintaining cleanliness ensures high-efficiency filtration that captures particles. Choose smart solutions!
