Self-locking Tape Measure Hoto QWZSJC001

Ensure comfort and precision when taking measurements. You will be helped by the universal Hoto rolling measure, which is distinguished by high rigidity and 3-metre length. It has an auto-lock function, ensures comfort of use, and is resistant to rust and scratches. The ABS plastic housing is extremely durable and the special measuring clip guarantees precision.

Precision and comfort of use

Thanks to its well-thought-out design, operating the measuring tape is extremely intuitive. An intelligent mechanism is responsible for automatic locking, while an easily accessible button facilitates convenient winding up. You can use two units of measurement (cm and inch) and the practical clip guarantees high measuring accuracy.

Well designed

The elasticity of the tape makes measuring easier, and the dulled edges ensure safety and prevent injuries. Also noteworthy is the rigidity of 1.5 m, which means the tape does not break up to this length. It is made of high-quality 55-gauge steel and is additionally covered with a durable, abrasion-resistant nylon coating.

Robust design

The housing is made of durable ABS plastic, making it waterproof and shock-absorbing. The matte surface of the housing is pleasant to the touch and makes it easy to keep clean. Thanks to its low weight, using the measure is easy and pleasant.
