Household Tool Kit Hoto QWDZGJ001 (9 elements)

The Hoto QWDZGJ001 multi-functional tool set contains 9 elements and is perfect for every workshop. You will find both hand and electric tools in it, which will be useful during DIY, renovation or professional work. The 12 V brushless drill, bit and drill bit set, multifunction pliers or adjustable wrench have been enclosed in a compact box which not only looks modern but is also extremely durable and resistant to damage.

Brushless drill in the set

The most interesting element of the set is the drill with a brushless 12V motor, which will be perfect for amateurs and professionals. It provides a maximum torque of 30 N·m, offers two operation modes, and its speed reaches 1400 rpm. The brushless motor ensures efficient operation and the LED display provides information about the charge level or the selected operation mode. The device will be used for drilling and screwdriving. It also comes with metal screws, wood screws and 50 mm bits made of S2 steel.

Practical tools

The box also contains multifunction needle-nose pliers for making notching or cutting jobs easier. The 3 meter measuring tape with

self-locking system allows precise measurements, and the hammer with integrated magnet has a rubber cap to protect surfaces from damage. The set also includes a multifunction screwdriver with magnetic holder and an adjustable wrench with a jaw span of up to 25 mm.

#### Many applications

The Hoto QWDZGJ001 tool set is ideal for many different situations. The multifunctional needle-nose pliers will come in handy for repairs, while the adjustable wrench will allow you to service your bicycle efficiently. The multifunctional screwdriver and the brushless drill are indispensable equipment during DIY and small repairs. The set will be useful in every house or workshop.
