

### Lens cleaning pen PGYTECH (P-GM-112)

Lens cleaning pen PGYTECH (P-GM-112)

Ref: 6970801334427

#### Safe maintenance

Designed by PGYTECH, the Filter Cleaning Brush is a very safe and handy device to easily take care of our equipment. The lightweight aluminum design, along with a fine brush and a carbon cleaner tip, makes it something every drone or camera user should have in their pocket.
