

## Wireless Keyboard MOFII Phoenix BT (White)

Wireless Keyboard MOFII Phoenix BT (White)

Ref: 6950125748261

### MOFII Phoenix BT wireless keyboard

Do you appreciate successful combinations of functionality and interesting design? MOFII Phoenix keyboard will be perfect for you! It is equipped with 83 keys and connects to your computer wirelessly - via Bluetooth 5.1. It also stands out for its wide compatibility. It also offers 12 function keys that will make your work much easier.

### Reliable connection

Free yourself from cables and say goodbye to desk clutter. The MOFII Phoenix keyboard works wirelessly, and thanks to the use of Bluetooth 5.1 it guarantees fast, stable and reliable transmission with a range of up to 10 meters. Problems with signal quality are a thing of the past! What's more, the durable 170mAh battery ensures long operating time.

### Perfect combination of functionality and style

Bet on high quality workmanship and choose a keyboard that will work well both at work and during ordinary Internet use. MOFII Phoenix is equipped with 83 keys that provide lightning-fast response and stand out with a life span of 8 million clicks. In addition, their unprecedented hexagonal shape gives the device an original, stylish character.

### 12 function keys

With MOFII you will make your computer work even easier. The Phoenix keyboard offers 12 function keys, with which you can, for example, conveniently copy and paste, adjust the volume, operate the media player and use the search engine. Just use a simple key combination!

#### Wide compatibility

It doesn't matter what devices you use on a daily basis - MOFII Phoenix keyboard will make your work easier in almost any situation. The product is compatible with most popular operating systems such as Windows, Mac OS, iOS and Android. Its configuration will also not cause you any problems - find out how quick and easy it is!
