Wireless keyboard + mouse set MOFII Candy XR 2.4G (Blue)

MOFII Candy XR wireless keyboard + mouse set

Ensure your comfort while working at the computer. The MOFII Candy XR wireless keyboard and mouse set will help you. The devices impress with their modern design and high functionality. The keyboard has 100 keys and offers 13 multimedia keys, while the mouse is equipped with 4 buttons and a scroll wheel. The 2.4 GHz wireless technology is responsible for stable transmission with a range of up to 10 meters, the advantage is also wide compatibility.

Functional keyboard

The included keyboard has 100 round keys, and their life span reaches 8,000,000 clicks, so the product will serve you for a long time. There are also 13 multimedia keys at your disposal, which will allow you to conveniently adjust the volume, switch songs, send emails or launch your browser. The keyboard measures only 390 mm in width, so it won't take up much space on your desk.

Wireless solutions

In addition to the keyboard, the set includes a practical mouse. Both devices work wirelessly and connect in the 2.4 GHz band, with a range of up to 10 meters. So you don't have to worry about interference or other signal problems. The included USB receiver works on a plug&play basis, so installation takes seconds and no additional drivers are required. The mouse is equipped with 4 buttons and allows you to adjust the DPI in the range of 800 / 1200 / 1600.

For fans of original design

The keyboard is distinguished by its original design and interesting color variants, so it will delight many users who appreciate modern design. The advantage of the MOFII Candy XR set is also 3 levels of power saving mode and wide compatibility - the products will work with Windows version 2000, XP, Me, VISTA, as well as 7 / 8 / 10.
