

Wireless Numeric Keyboard MOFII SK-660AG 2.4G (black)

Ref: 6950125748551

Wireless Numeric Keyboard MOFII SK-660AG 2.4G (black)

MOFII SK-660AG wireless numeric keypad

Looking for a handy numeric keypad that features wireless operation and modern design? MOFII SK-660AG will meet your expectations. It is equipped with 18 keys and its dimensions are only 87 x 124 x 18 mm. The keyboard operates in the 2.4G band and provides a stable connection with a range of up to 10 meters - it will prove useful in accounting or when performing large mathematical calculations.

Handy and functional

Thanks to its small size, you can hide the keyboard in your purse or backpack and easily transport it anywhere. The wireless formula means you can enjoy full freedom of movement and forget about problematic cables. There are 18 sturdy keys at your disposal and their life span reaches up to 8,000,000 clicks.

Wide compatibility

MOFII SK-660AG wireless numeric keypad will work perfectly with devices running on Windows versions 2000, XP, ME, VISTA, as well as 7 / 8 / 10. Also noteworthy are interesting color variants and hexagonal-shaped keys. The device is powered by a 180 mAh battery.
