

Power Selfie Stick Insta360 ONE X2

Power Selfie Stick Insta360 ONE X2

Ref: 6970357852864

Selfie Stick with charging function for Insta360 ONE X2 camera

Create unique third-person perspective shots and provide your camera with an extra power source. The Insta360 Selfie Stick comes with a 4,500mAh battery to charge the device mounted on it. The built-in remote control will make it easy for you to record original footage. The Selfie Stick is compatible with the Insta360 ONE X2 camera and its length can be adjusted between 33-100cm.

Create spectacular shots

Creating fantastic footage has never been easier. The Selfie Stick comes with a small remote control that makes it easy to operate the camera mounted on it. With Insta360 you also get a lot of interesting recording options. For example, you can prepare a video and then easily remove the Selfie Stick from it - this way you get an original shot from an unusual perspective!

Rechargeable camera

No longer do you have to worry that your camera will soon give up while you are recording! The Selfie Stick has been equipped with a durable battery with a capacity of 4500mAh, which allows you to charge it conveniently. Simply plug it in using the included USB-C cable. This unique device will allow you to extend the working time of your camera even twice!
