

Wireless keyboard + mouse set MOFII Sweet 2.4G (beige)

Ref: 6950125749343

Wireless keyboard + mouse set MOFII Sweet 2.4G (beige)

MOFII Sweet 2.4G wireless keyboard + mouse set (Beige)

Are you looking for a universal keyboard and mouse set that will do the job for your daily computer work? MOFII Sweet is just for you! The wireless design of the devices supports the comfort of use, and the modern design will emphasize the visual qualities of your desk. The keyboard offers a standard layout of 104 keys, and the mouse features a 3-level DPI range.

Functional keyboard

Featuring a 104-key layout (life span of up to 8 million clicks), the keyboard stands out for its high functionality. Membrane switches provide effortless, pleasant operation - they are distinguished by the required pressing force of about 60 gf. What's more, the device offers 13 function keys, thanks to which you will take control of multimedia, web browser or email.

Optical mouse

The MOFII Sweet mouse uses a sensitive optical sensor to make your cursor movements extremely precise. The device provides 3 levels of DPI adjustment - 800, 1200 or 1600, and has 4 buttons with a lifespan of up to 3 million clicks.

Wireless design

Do you have limited desk space or are tired of tangled cables? Both devices connect to your computer wirelessly - in the 2.4G band -

with a single USB receiver. This guarantees a stable, constant connection and fast response time. Betting on the MOFII Sweet set, you choose a combination of functionality and convenience.

Modern design

Make your computer workstation have a modern, sophisticated style. The round keys of the keyboard look great, also supporting the comfort of use. The ergonomic design of the mouse also puts a premium on visual appeal, fitting perfectly into the set. What's more, both devices use Plug & Play system, which means they don't need additional software to start operation.
