Brushless Drill Deko Tools DKBL20DU3-HS2 20V

Deko Tools DKBL20DU3-H 20V brushless drill

Experience the advantages of a brushless motor with the Deko Tools DKBL20DU3-H brushless drill. The solutions used support high performance and convenience of use. This is an ideal tool for working in steel, wood and plastic, which will facilitate many a DIY session, specific repair work or getting rid of a defect.

High performance

The brushless motor significantly contributes to the precision and power of the device. The drill offers 2 speed modes and up to 18 (+1) torque settings. This ensures unparalleled responsiveness and control during the work in progress.

Powerful power supply

The device is equipped with a durable 1500 mAh battery. Thanks to its cordless design, you'll experience true convenience without worrying about the tool's short life. The charging process will only take about an hour. You'll find a total of 2 rechargeable batteries in the kit, so you'll be prepared to use the equipment for longer periods of time.

More amenities

The ergonomic design improves comfort during use. What's more, the drill is equipped with LED backlighting, which will guarantee that

you can use the tool even in dimly lit areas.
