

Angle Grinder Deko Tools DKAG230G240 230mm

Angle Grinder Deko Tools DKAG230G240 230mm

Ref: 6974491581529

Deko Tools DKAG230G240 angle grinder.

The Deko Tools angle grinder will come in handy during various types of repair and construction work. It has been equipped with a powerful motor, so it will be suitable for cutting and grinding various types of materials. Moreover, its lightweight and ergonomic design is responsible for the comfort of use.

Efficient work

The DKAG230G240 has a powerful 2400W motor with a speed of 6500 rpm, which translates into high efficiency work. You will use the grinder for cutting and sanding various surfaces.

Ergonomic design

The grinder is designed to make its use safe and comfortable. Its relatively light weight and ergonomic design means you can use it comfortably. What's more, the side handle further contributes to the comfort of use, and the blade guard guarantees safety and reduces the risk of damaging the tool.
