

Inverter MMA Welding Machine Deko Tools DKMMA160P

Ref: 6974491581796

Inverter MMA Welding Machine Deko Tools DKMMA160P

Deko Tools Inverter MMA Welding Machine

Make your work comfortable and equip yourself with the Deko Tools DKMMA160P inverter MMA welder. The device allows you to weld stainless steel, mild steel, aluminum and other metal materials. It uses advanced IGBT inverter technology and stands out for its high energy efficiency, as well as being extremely handy and comfortable to use. The IP21S protection rating is also an advantage.

Powerful work and lightweight design

The Deko Tools DKMMA160P has an efficiency of 85% and a power factor of $\cos\Phi$ 0.93, allowing you to weld stainless steel, alloy steel, carbon steel, copper, copper alloys and other non-ferrous metals. Thanks to the IGBT technology, you can enjoy lower weight and compact design, which makes it easier to work with and also transport the device. The 220 - 240V power supply, 10-160 A welding current, and a 40% duty cycle for long welding times are also perks.

Included

Inverter welder

Earthing clamp

Welding clamp

Welding hammer for slag removal

Manufacturer

Deko Tools

Name

Inverter MMA Welder Deko Tools DKMMA160P

Model

DKMMA160P

Rated voltage

AC1~220-240V~50/60Hz

Rated Input Capacity

5.8 KVA

Efficiency

85 %

Power factor

$\cos\Phi$ 0,93

No-load voltage

60 V

Current range

10~160 A

Duty cycle

40 %

Usable electrodes

Φ 1,6~4,0 mm

Insulation degree

F

Protection degree

IP21S

Price:

€ 127.00
