Deko Tools Tool Kit DKMT34

The Deko Tools DKMT34 tool set contains 34 basic tools that are useful in any home or workshop. You'll find long nose pliers, water pump pliers, a T-shaped bit holder (1/4"), 20 different kinds of bits, 9 hex keys, a utility cutter (18mm), and a 3-meter long tape measure. All the tools are made of high-quality materials and come in a robust, practical case for easy storage and transportation.

Well thought-out design

The tools in this set are made from top-quality materials and are therefore extremely durable and wear-resistant. They are also distinguished by their ergonomic design - they lie perfectly in your hands, guarantee a firm grip and let you enjoy comfortable use even during prolonged work. They will find many uses at home and in the workshop, for example during renovation, DIY or repair of selected equipment.

Practical storage box included

Now you can easily keep your tools in order, store them and transport them easily. The elements of the DKMT34 set have been placed in a practical box made of durable, damage-resistant materials. All the tools have their right place in it, which will prevent clutter and problems with finding the right bit or pliers. The robust latch makes it easy to open and close.
