

Steel Angle Ruler Deli Tools EDL302350, 350mm

Steel Angle Ruler Deli Tools EDL302350, 350mm

Ref: 6974173018367

Steel Angle Ruler Deli Tools EDL302350

The Deli Tools EDL302350 angle ruler is a practical tool for making various types of measurements. The instrument is made of sturdy materials, making it extremely durable and not susceptible to damage or wear.

Thoughtful design

The design of the tool has been thought out in such a way as to combine functionality with comfort of use. The length of 350 mm will allow you to get the result of the desired measurement, and the two-sided scale will ensure greater precision. Stainless steel was used in the production.
