Smartwatch Colmi i10 (black)

Ref: 6972436981748

### Colmi i10 smartwatch (black)

A 1.28-inch IPS display, a lightweight design and a range of useful features are the main advantages of the Colmi i10 smartwatch. It offers up to 29 sports modes, has a PPG heart rate sensor, monitors health and sleep quality. It allows you to answer and reject calls, as well as activate a voice assistant. The Colmi i10 is IP67 waterproof, and with interchangeable dials, you'll be able to adjust it to your preferences. Check out what else it offers.

### Easy-to-read IPS display

The touchscreen display with a resolution of 240 x 240 px provides convenient access to the most important functions, and allows you to easily read the displayed information. What is important, you can personalize the dial of i10 smartwatch and choose from many interesting, colorful patterns.

### Caring for your health

The smartwatch is equipped with a high-quality PPG heart rate sensor and allows you to monitor your heart rate in real time. Additionally, the smartwatch allows you to measure your blood pressure and saturation, as well as monitor your sleep quality. The device will even send a reminder for hydration and physical activity.

### 29 sports modes

The Colmi i10 smartwatch is the perfect accessory for those who like to stay active. It offers up to 29 sports modes, so there is something for every user. The smartwatch will provide information about the number of steps taken, distance covered, calories burned or heart rate.

### The perfect companion for the day

Colmi i10 offers many practical functions that will make everyday life easier and keep you connected to the world. With its help you can answer or reject a call, set an alarm or activate a voice assistant. In addition, i10 will provide you with weather forecast information and display notifications from a wide variety of information.

### Tailored to the user's needs

The detachable silicone strap stands out with its 22 mm width and is adjustable from 88 to 118 mm in length. So you can adjust its size according to your individual needs to enjoy high comfort. The water-resistant stainless steel button provides comfortable operation and is extremely durable.
