Smart Wi-Fi Essential Oil Diffuser Meross MOD150HK(EU) (Home Smart Wi-Fi Essential Oil Diffuser Meross MOD150HK(EU) (HomeKit)

Meross MOD150HK(EU) essential oil diffuser (HomeKit).

Take care of the special atmosphere in your home with the Meross MOD150HK. The essential oil diffuser diffuses a safe and natural fragrance. Unlike air fresheners that have synthetic aromas, fragrance diffusers release natural, purifying molecules into the air. The diffuser is operated via a dedicated app, where you can adjust the colors and brightness of the device according to your preferences. You can also control the MOD150HK with your voice - the product is compatible with Apple HomeKit, Amazon Alexa, Google Assistant smart assistants.

Tailored to your expectations

The dedicated app allows you to conveniently control the lighting, and turn the diffuser on/off wherever you are. With its help, you can set the desired brightness and color temperature of the light, as well as choose from the available RGB colors. This makes it easy to create a fantastic atmosphere for any occasion. Customize the lighting to blend in perfectly with your apartment. Also try out the available lighting scenes.

Safe to use

Meross essential oil diffuser, is safe to use. The capacious water reservoir (400 ml) allows you to set two spray sources - heavy (7-9hrs 30db) or light (12-14hrs 25db) - to better suit users. It also has an automatic shut-off function without water, thus protecting you and

your equipment. It is made of high quality PP + ABS plastic.

Voice assistant

Don't have your phone nearby, but would like to change the lighting? Or maybe you want to turn on/off the diffuser, but don't feel like getting up from the comfort of your couch? No problem - no need to reach for your phone anymore! Meross essential oil diffuser is compatible with voice assistants such as; Apple HomeKit, Amazon Alexa, Google Assistant. So you can conveniently operate it with the right commands. With just a few words, you can turn the diffuser on/off, brighten or change the color.
