

### 3-stage H13 HEPA Filter for Meross MAP100

Ref: 6973696562111

3-stage H13 HEPA Filter for Meross MAP100

HEPA filter for Meross MAP100 purifier

HEPA filter dedicated to the Meross100 air purifier Thanks to the activated carbon filter, the Meross air purifier captures up to 99.97% of particles with a size of 0.3  $\mu\text{m}$ , removes pollen, odors, smoke, volatile organic compounds and other pollutants. For even greater convenience, the filter cartridge can be used repeatedly, after rinsing it under running water. The filter should be replaced every 3-6 months, depending on the environment and frequency of use. The dedicated Meross app will send you a notification when the filter life cycle falls below 20%, 10%. All operation and replacement is extremely simple and should not cause you any problems.
