

Z10Pro Accessories Kit

Z10Pro Accessories Kit

Ref: 6973734685451

Accessory kit for Dreame Z10 Pro cleaning robot.

The kit includes a main brush, 2 side brushes, 3 filters and 3 mopping pads. The V-shaped brush thoroughly picks up dirt from different types of surfaces and prevents hair from getting caught in it, while the side brushes effectively remove dust. You will also find 3 filters in the package, which separate dust from the air and prevent secondary air pollution. In addition, the mopping pads effectively remove stains while not damaging delicate surfaces.
